Do Your Best: What the Cub Scout Motto Means

Doing your best is one of the most important things Cub Scouts learn. When children compare themselves to other people, they can become complacent (if they're high achievers) or discouraged (if they have to work harder to accomplish the same goals). Focusing on doing their personal best helps them feel good about themselves and see their potential for doing even better. Cub Scouting helps children realize they will feel successful if they always do their best.

- A motto is like a slogan. It reminds us of something important.
- Scouting is not a competition. All children learn at their own pace and in their own way.

Whatever you and your Lion are doing, remember to "Do Your Best!" It's a great motto for life.
